

PROVISIONAL RULES

I - FORMAT:

- 8 Qualifying races with drawn and unrepeated karts preceded by one timed hot lap for grid formation.
- Top 48 drivers advance to 30 minute semifinals splitted into 3 groups with 16 drivers each. Grid formation and kart selection will be determined by a Match Race.
- Top 20 drivers advance to a 45 minute final. Grid formation and Kart selection will be determined by a Match Race. Please check item VI in these rules to learn about the Match Race system.

II – HOW TO PARTICIPATE:

Drivers may earn their entry through one of the 18 qualifiers raced around the world, or may sign up directly through our website with no need to go through one of the qualifiers. Any driver that is constantly slower than the leader in 7% will be removed from the championship with no refund.

III – CATEGORIES:

KWIC is raced in one single category with drivers weight equalized to a minimum of 90 Kgs. Track may supply up to 20Kgs in weight that may be fixed to Karts side pockets. Sub categories, Women, Junior (17-) and Masters (40+) will race together with all other drivers, but will be running for these championships based on total points reached by each driver.

IV – POINT SCORING:

- a) Drivers will score the seven best results out of 8 races. You have your worst result dropped. If fastest lap or pole position points are part of your worst result, these are dropped too.
- b) DNF scores minimum points.
- c) DQ scores zero points and you cannot delete it.
- d) Additional 2 points for pole position.
- e) Additional 2 points for fastest lap.
- f) Additional 5 points for every shoot out in a Match Race won, excluding the pre Match Race in the final.

g) POINTS:

| | | | | |
|--------------------|--------------------|--------------------|--------------------|--------------------|
| 1 - 50 pts | 2 - 45 pts | 3 - 41 pts | 4 - 39 pts | 5 - 37 pts |
| 6 - 35 pts | 7 - 33 pts | 8 - 31 pts | 9 - 30 pts | 10 - 29 pts |

| 16 - 23 pts | 17 - 22 pts | 18 - 22 pts | 19 - 22 pts | 20 - 22 pts |

V - PRIZES:

Trophies for Top 5 drivers overall, Top 3 Women, Top 3 Juniors (17 or less), and Top 3 Masters (40 or more). Top 5 overall will receive free entries for NEXT YEARS KWC.

VI - MATCH RACE:

Driver will draw a kart and align side by side with a specific opponent according to the diagram below. Driver will register the hot lap time with that Kart. Then the driver will switch karts with his opponent. Drive another hot lap. The driver that scores the lowest added time will advance to the next duel, earn extra points, and choose which karts he wants to carry to the next duel. The driver that lost the duel will go back to the pit and will have his starting position determined by the championship position among all of those that lost the duel in that specific round. For the final race a pre Match Race without counting extra points for drivers P13 through P20 will determine P13 through P16 in the final shoot out.
